Old Business

A. \$197,000 SMR shortfall

A State Management Review (SMR) conducted in 2011, 2014 and recently 2017 indicated that there was a \$197,000 grant awarded to a contractor and is being disputed by FTA for bus specifications not properly bided out. EM R. Agustin was hired as an Executive Manager in 2014 and is now responsible to find the corrective action to bring closure. He has instructed the staff to investigate into this issue with FTA Region IX and they suggested looking into the monies that were spent to offset the \$197,000. \$143,000 was identified. A letter will be sent to Region IX requesting a balance of the total amount and if there are still monies that need to be identified then GRTA will continue the analysis.

VII.

Budget Report (EM Rick Agustin)

Projected shortfall of \$81,123.00. To make up the shortfall, GRTA will use the salary set aside for an attorney of \$75,000. The Bus fare collection (NAF) to offset some of the operational requirements.
