Re: DBE Consultation

Hafa Adai!

As per 49 C.F.R. Part 26.45 (g)(1), in formulating GRTA's triennial Disadvantaged Business Enterprise (DBE) overall goal for FYs 2018-2020, the Federal Transit Administration's (FTA) Regional Office of the Civil Rights requires GRTA to consult and confer with minority, women's and general contractor groups, community organizations, and other officials or organizations which could have information concerning the following:

- the availability of disadvantaged and non-disadvantaged businesses on Guam concerning the attached GRTA's Possible Procurement or Contracting Opportunities for FYs 2018-2020;
- the effects of discrimination or opportunities for DBEs for GRTA to ease the procurement barrier of participation for DBEs; and
- GRTA's efforts to establish a level playing field for the participation of DBEs for GRTA to improve its level playing field efforts in its DBE procurement participation.

The relevant information gathered will be used in GRTA goal setting process prior to finalizing our triennial overall goal for submission to FTA's Regional Officer of Civil Rights.

Currently, FTA allows us to use the U.S. Small Business Administration (USSBA) certified small disadvantaged businesses on Guam as our certified DBEs which are listed in our DBE Directory. As a result, GRTA invites the head of your organization or your representative to meet with us together with other DBEs and non-DBEs on Guam in the areas of architectural & engineering consulting services, new bus dealership for vehicle procurement, and building construction.

The scheduled meeting will be held on Friday, July 14, 2017 at 1:30 P.M. at GRTA Administration Office conference room located within the Department of Public Works Compound, 542 North Marine Corps Drive, Tamuning, Guam 96913.

Should you have any questions or concerns, please feel-free to contact Mr. Rally M. Pilipina, GRTA's Chief Planner, at (671) 300-7261 or email at rally.pilipina@grta.guam.gov.

Si Yu'os Ma'ase,

ENRIQUE J. S. AGUSTIN
GRTA's Executive Manager
