**NOTICE**  
**Guam Regional Transit Authority**  
**Proposed Public Transportation FY 2017**  
**State Program of Projects**  
**Grant No. 1641-2017-1**

The Guam Regional Transit Authority (GRTA) invites interested applicants, private for profit operators, nonprofit organizations, transportation providers and users, including social service agencies capable of purchasing services to submit their views or comments on GRTA's Proposed Public Transportation FY 2017 State Program of Projects.

Each year, Guam is allocated funds from four (4) Department of Transportation (DOT) Federal Transit Administration (FTA) grants:

*Section 5310 (Seniors and Individuals with Disabilities)*

*Section 5311 (Non-Urbanized area Formula)*

*Section 5311 (b)(3) (Rural Transit Assistance)*

*Section 5339 (Bus and Bus related Facilities)*

Guam as an insular area of the United States of America, FTA allows the consolidation of the above-mentioned grant programs into one (1) program (48 U.S.C.A. 1469 (a)). Section 5311 permits the most flexibility of the four grants, relative to the expenditure of funds. Therefore, GRTA proposes to allocate the total estimated FY2017 Sections 5310, 5311(b)(3) and 5311 grant programs amounting \$ 917,486 including Section 5339 amounting to \$500,000 to the Section 5311 grant program for a total of \$1,417,486. These funds will be used for the operations of the Guam Public Transit System's Paratransit Service (\$775,737) and State Administration of the grant programs (\$89,504) including the purchase of signal and communication equipment (\$52,245). The Section 5339 grant program amounting to \$500,000 will fund the procurement of 5 less than 30 ft. long ADA accessible buses. Comments must be received by GRTA at the address shown above no later than 5:00 PM, August 31, 2017.
