GRTA Awards Long-Term Bus Service Contract

The Guam Regional Transit Authority (GRTA) staff and management is pleased to announce the award of the long-term bus service contract to **Kloppenburger Enterprises, Inc.** We have been working on this procurement action for many months with the assistance of the GRTA Board of Directors, Attorney General's Office, Guam General Services Administration (GSA), the Governor's Office, and Senator Thomas Ada committee chair for transportation of the 33rd Guam Legislature.

The contract is for an initial three (3) years with an option to extend twice for an additional one-year contract.

GRTA and **Kloppenburger Enterprises, Inc.** will be holding a Post Award Contract Kickoff meeting to ensure a smooth transition of equipment and information for a better transit service will be achieved. The ridership will benefit from the newer more comfortable vehicles. The post award contract kickoff meeting is a "Best Practice" procedure that is in compliance with federal procurement. Guam receives federal grants from the Federal Transit Administration and therefore federal procurement standards will apply.

Should there be any inquiries regarding this award, contact Enrique Agustin, Executive Manager at 671-300-7260. For general inquiries, call the GRTA office at 671-475-4616.
